Mardi Gras Kickoff a success

On Oct. 3, 2012, community members filled the seats in the Onslow Memorial Hospital cafeteria, excited to hear about our next fund-raiser, Mardi Gras. Mardi Gras will take place on Feb. 23, 2013, at the American Legion in Jacksonville. Funds raised at Mardi Gras will be used to support Project 2020, which is a 7-year, \$2 million campaign to support the need for a new patient tower at Onslow Memorial Hospital.

In addition to kicking off this exciting event, the Foundation wanted to thank our dedicated donors for supporting our community hospital. With the support from local businesses, community members, and hospital employees, we have raised over \$670,000 in the past 4 years to support OMH. Over \$500,000 of those funds were used to support Onslow Radiation Oncology and help provide cancer patients with necessary radiation treatments close to home.

Special thanks to Marine Federal Credit Union for pledging \$100,000 to support Project 2020 for Mardi Gras. These generous Major Gifts help to put us one

step closer to bringing a needed, state-of-the-art patient tower to Onslow County.

Our current tower was built in 1974. In the past 40 years, the health-care industry has dramatically enhanced medical equipment. The current infrastructure struggles to accommodate this equipment. With Onslow's emphasis on patient- and family-centered care, we recognize that the families want to be involved in patient care, now more than ever. The older, smaller rooms are not large enough to accommodate family members. The new space in the new tower will be designed to include patients' families and key caregivers and partners in their loved ones' healing

process.

With your help, we can bring the latest technology, equipment, and facilities to Onslow County and provide the best medical care in a healing and family-centered environment for you and your family. You can truly make a difference in the quality of healthcare for our community by supporting Project 2020. If you are interested in sponsoring Mardi Gras to support Project 2020, see the sponsorship packet on pages 5-7.

A fund-raising celebration proudly presented
in support of Onslow Memorial Hospital and
the Project 2020 Campaign

Mardi Gras is the Onslow Memorial Hospital Foundation's 2nd annual event in support of Project 2020, which is a 7-year, \$2 million campaign to support the need for a new patient tower at Onslow Memorial Hospital.

Our current tower was built in 1974. In the past 40 years, the healthcare industry has dramatically enhanced medical equipment. The current infrastructure struggles to accommodate this needed equipment.

With Onslow's emphasis on patient- and family-centered care, we recognize that families want to be involved in patient care, now more than ever. The older, smaller rooms are not large enough to accommodate family members. The new space in the new tower will be designed to include patients' families as key caregivers and partners in their loved ones' healing process.

With your help, we can bring the latest technology, equipment, and facilities to Onslow County and provide the best medical care in a healing and family-centered environment for you and your family. You can truly make a difference in the quality of healthcare for our community by supporting Project 2020.
