Community support for local healthcare at an all-time high at Mardi Gras

Beads and masks were worn by many at the Onslow Memorial Hospital Foundation's annual fund-raising event, Mardi Gras. This themed event welcomed over 700 community members and raised over \$222,000 toward Project 2020, which is a 7-year, \$2 million campaign to support the need for a new Patient Tower at Onslow Memorial Hospital.

The purple, green and gold silent auction tables, organized by Lee Ann Thomas, grabbed the attention of many bidders who were interested in autographed college basketballs, NASCAR memorabilia, fine jewelry and much more. Organized by Karin Dickerson and her talented Decorations Committee, the decorations that night were exactly what you would see on a "night on the town" in New Orleans. King Roy Smith, Queen Penny Burlingame, and King Mayor Pro-Tem Michael Lazzara even threw beads and doubloons from a float that the Decorations Committee creatively designed. With the support of area Marines led by SgtMaj Joe Houle, the American Legion was turned into a scene from Bourbon Street.

Golden Corral did a great job yet again, serving up a delicious Cajun-style menu, which included a delightful chocolate fountain for dessert. We cannot thank Golden Corral enough for the generous support for the past five OMH Foundation fund-raisers, totaling over \$65,000 in services and food!

Thank you to ALL of our sponsors (including our event sponsors Marine Federal Credit Union, Golden Corral, and Ray Properties, Inc. & ABA Rental Properties, Inc.) for your continued support for Project 2020. We truly appreciate all that you do for our community and Onslow Memorial Hospital.

"We are so grateful for the remarkable generosity that this community provides, for an event that will impact the entire community by providing the best healthcare available in our area," said OMH Foundation Chair Jeff Clark. "The time and dedication of the Foundation Board and Events Committee members is truly incredible and would not be possible without their compassion for our hospital. Thank you to all the donors who are making a meaningful difference in our community, and we look forward to your support for Biker Bash, the Foundation's 2014 Annual Event."

Special thanks to Marine Federal Credit Union for their \$100,000 pledge for Project 2020.
