

Flash back to the 1960s at Hippie Hippy Shake, the Onslow Memorial Hospital Foundation's 4th annual fund-raising event. The funds raised at Hippie Hippy Shake will be used to support Project 2020, which is a 7-year, \$2 million campaign to support the need for a new patient tower at Onslow Memorial Hospital.

The current tower is almost 40 years old and was built to serve the population of Onslow County in 1974. Since then, the population has increased by over 70 percent. Over the past 40 years, the healthcare industry has also dramatically enhanced medical care equipment. The current infrastructure struggles to accommodate this needed equipment.

With Onslow's emphasis on patient- and family-centered care, we recognize that families want to be involved in patient care, now more than ever. The older, smaller rooms are not large enough to accommodate family members. The new space will be designed to include patients' families as key caregivers and partners in their loved ones' healing process.

With your help, we can bring the latest technology, equipment, and facilities to Onslow County and provide the best medical care in a family-centered environment for you and your family. You can truly make a difference in the quality of healthcare for our community by supporting Project 2020 today.

**This will be a 1960s party
you'll never forget!**

After the successful 2010 event, Cowboy Up!, the Radiation Oncology Center is now able to provide a mobile PET scanning service to local cancer patients. Thank you to the sponsors of M*A*S*H Bash, Key West Island Fest, and Cowboy Up! for your support. With your help, we raised over \$500,000 to support Onslow Radiation Oncology in three years.
