Recognizing Cumulative Giving

The Onslow Memorial Hospital Foundation has recently developed giving clubs based on cumulative donor contributions to the OMH Foundation or Onslow Memorial Hospital in past years. Most donors prefer nothing in return for their generous donation. However, by allowing us to recognize the commitment made by many donors, it may inspire others to follow the example in helping to bring top-notch healthcare facilities, equipment, and services to our community.

Please review the giving clubs on the successive pages. If there is an error in the listing, or if you have questions regarding your giving record, please contact the OMH Foundation at (910) 577-2651. Thank you to all the community members, local businesses, physicians, employees and volunteers who have made contributions throughout the years. Your commitment to quality local healthcare is commendable.
